Dear Sir/Madam,

I am just writing to say that we were extremely pleased with your service. We had rented two chauffeured vans on July 22 from Kensington to Southampton and one van for the return on the 5th of August. I had booked with Norma, who was very professional and returned all my calls promptly. On the morning of the 22nd, I spoke to Angie who again was very polite and called me back within a few minutes after making enquiries. Both drivers were friendly, and drove very well. And a big pat on the back to Max in particular who waited patiently for us on arrival (we were a bit late) and who managed to fit all our suitcases into the hold - a feat we didn't think was possible!

So many thanks, once again!
