18th September 2004

Dear Angela Moger,

I was being a bit hopeful asking, at such short notice, if you had a vehicle available for me last night. This was especially true on a Friday evening and at your busiest time.

Thank you so much for arranging it. Your driver couldn't have been more helpful and my arrival at the meeting took them completely by surprise. All in all, thanks to you, a great success.

With very many thanks,

Yours sincerely,

David Cooper
